CHIMROCK

Have you ever seen a play in which the circumstances portrayed were similar to ones which you can remember experiencing yourself?

We hope to aid you in remembering the activities and good old days you had at Hollidaysburg High School by presenting them to you in our "Theater of Stars."

When we open the pages of this book, the drama of our school days will unfold before us, recapturing

Left: Mr. Jones substitutes

Below: Kierstead gets the ball

Miss Scrivner and library assistant

the past. Parties, concerts, proms, assemblies, plays, victories and defeats will pass before us with all the troubles, joys, and mistakes made in "those days of yore." Surely the happy memories will be greater than the experiences of sorrow.

While remembering our school days, we are reminded of the Superintendent and the Principal, and of our teachers, who with untiring patience and energy helped us to achieve our goals in school.

Whether we succeed or fail in life once we leave school, nothing can prevent us from looking back on our carefree days in the halls of Hollidaysburg High.

We, the Chimrock staff, hope you enjoy remembering your school life with the assistance of our "Theater of Stars."

At football camp

Dedication

The class of 1951 dedicates this, the twenty-eighth edition of the Chimrock to Michael Durbin, our "Star of Stars," the producer of many a star on the gridiron. Within the short space of two years, Coach "Mike" Durbin has attained a very singular position in the eyes and the minds of the Hollidaysburg football enthusiasts. His master feat of producing such an outstanding football record will long be remembered.

A native of Windber, Mr. Durbin gave a creditable performance in the major high school sports. When he matriculated at Concord College, Athens, West Virginia, he continued to star in athletics. Uncle Sam, recognizing his athletic abilities, cast him in the role of athletic officer in the United States Navy. Before assuming the role of high school teacher and coach, he added a year of professional football and basketball to his repertoire. At Blairsville High School, in addition to teaching social studies, he produced a fine roster of outstanding players.

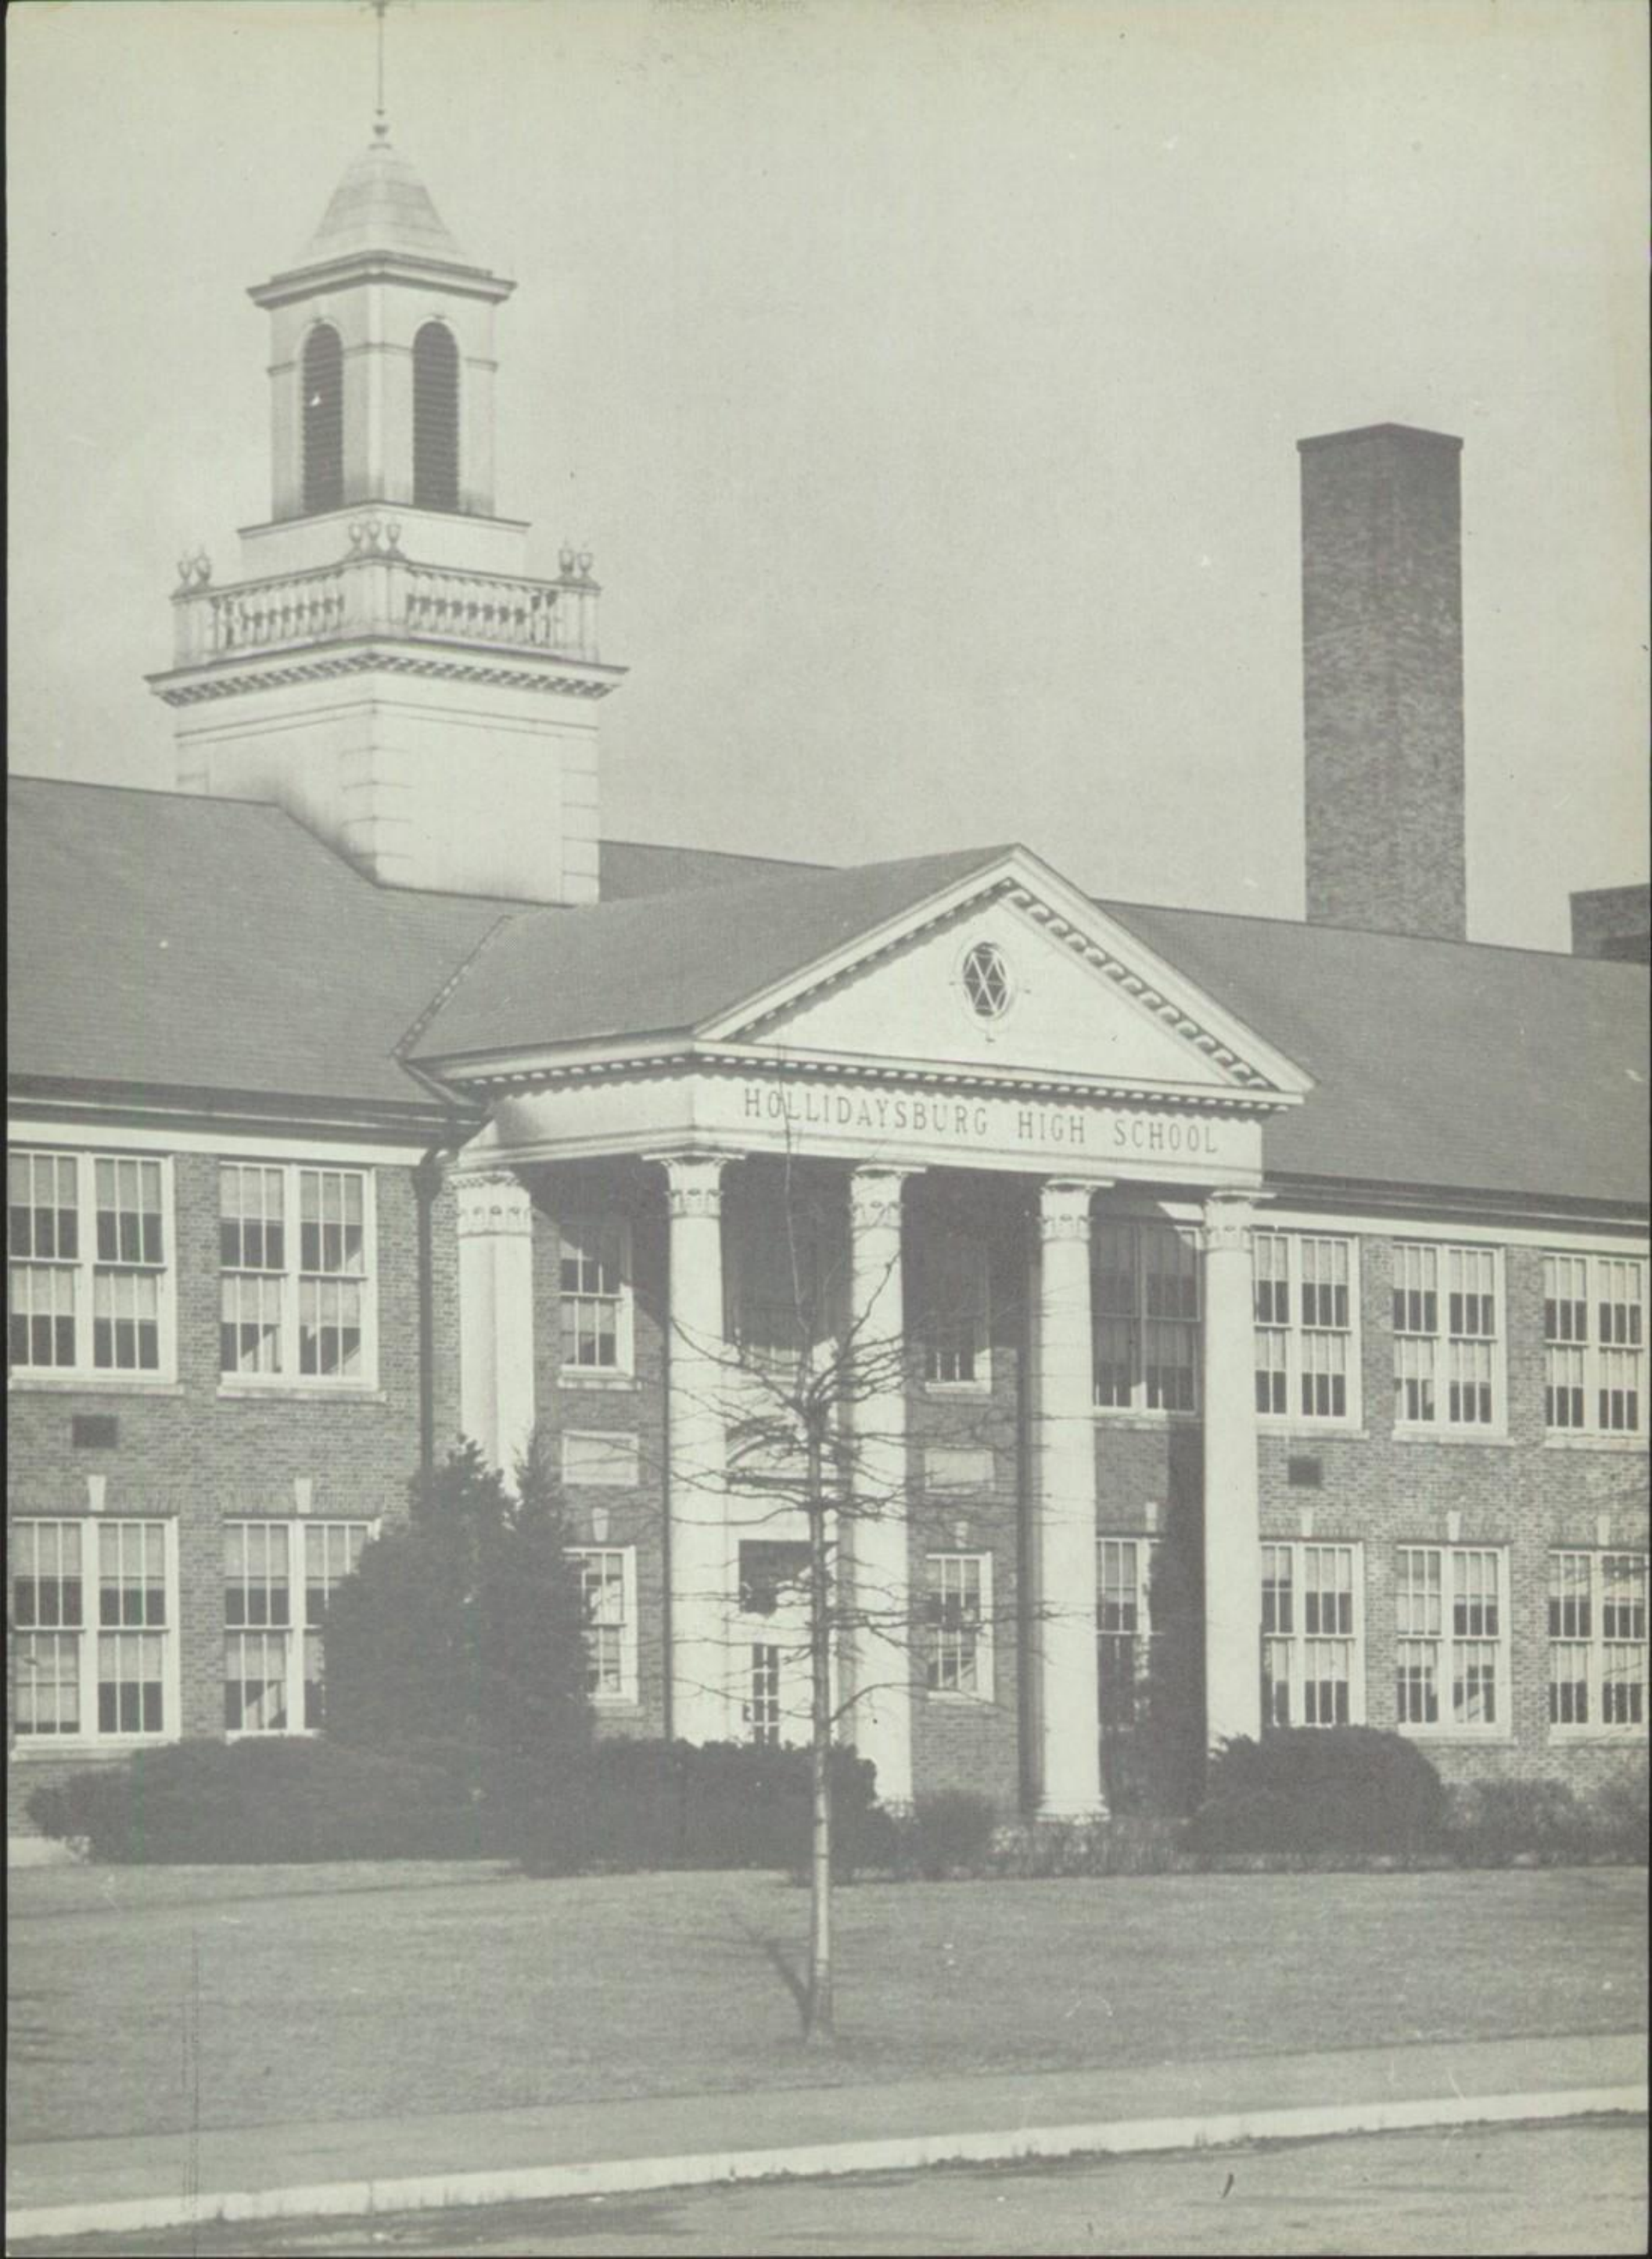
In 1949 Mr. Durbin became a social studies teacher and head football coach at Hollidaysburg High School. With his enthusiastic spirit somewhat abated by the lack of veteran performers, he set about developing future stars. Football camp became a reality in August of 1950. For one week football candidates underwent intensive training under the close supervision of Mr. Durbin and other staff personnel. Mr. Durbin was instrumental in effecting another innovation at Hollidaysburg—the Varsity Club.

During the summers of 1946, 1947, and 1948, our dedicatee continued his graduate work at the University of Pittsburgh. He received his Masters Degree in Education from that institution in 1947. He has continued his advanced study at the Pennsylvania State College.

Although this record might seem to imply that Mr. Durbin never takes time to vacation, it is a well-known fact that he is not only a director of athletics, but also an accomplished athlete himself—golf being his "playtime" favorite.

ACT ONE . . . . . .

THE STAGE



HOLLIDAYSBURG HIGH SCHOOL

Board of Education

Makes many Improvements throughout District Schools

Secretaries, Miss Shaw and Miss Straw make an announcement.

The school board of the Hollidaysburg Public School District is elected by the people to maintain the schools and promote the education of the pupils in the community.

Hollidaysburg Borough is considered a third-class district. Its board is composed of seven members. Where there is a population of 6,000 or more, the board is permitted by law to choose its own superintendent. Two directors are elected every other year for a six-year term. The members of the Board of Education for the 1950-1951 term were: president, Jesse H. Wright, Jr.; vice-president, H. N. Hyle; E. G. Hamill; Joseph R. Good; Carl E. Treese; John E. Shrum; and Louis Walton. Miss Blanche M. Davis retained her position as secretary to the board.

The school board is governed entirely by the school code in the purchasing of supplies and the selecting of teachers.

The Board of Education made many improvements in the schools throughout the district during the year 1950-1951. They approved and supervised the painting of the first floor in the junior high school, the walls of every room in the Hillcrest School, and the exterior of the Hollidaysburg Senior High School building. The addition of new equipment to the Home Economics Department of the senior high school, and the renovation of the junior high school's Home Economics Department were also very obvious evidences of the school board's promoting education.

Seated, *left to right:* Wright, Davis, Hyle, Hamill.

Superintendent of Schools

J. Harry Henshaw
Superintendent of Schools

Real Security Lies in Liberty and Opportunity

Nobody in this world is more secure than a man in the penitentiary. He is fed, clothed and housed. But he is not free to go and come as he pleases. He is worked, guarded, and disciplined. There are millions of people in the old world with just that kind of security. But we Americans believe that the only real security lies in liberty and opportunity.

If we want proof that our American system of competitive free enterprise is superior to any other system, we have only to compare it with others. In the short span of 174 years, the United States has attained a higher degree of culture than any other nation. With less than seven per cent of the population of the world, we have more young people in high schools and colleges, more musical and literary organizations, more libraries, and a greater distribution of the written and spoken word than all the other ninety-three per cent of the people combined.

We are better-fed, better-clothed and better-housed than any other people on earth. Our health as a nation is unparalleled and is constantly improving. Our life span grows every year.

We hold a position of moral and spiritual leadership. We have more hospitals and more charitable institutions than any other country. We have fought and won two world wars to save democracy for all freedom loving people of the world, and we are now helping friend and foe alike to maintain freedom and liberty without asking any favors in return.

The leaders of other systems are trying in every way to destroy our American Way of Life. They know that they can overthrow our present successful system only by evolution of false ideals through our youth, rather than by revolution through our man power and resources. Their plan is to promise greater security, but at the same time to take away our personal freedom little by little, bit by bit so that we are not aware that we are losing our liberty.

As loyal Americans, each and every one of us must do everything within his power to preserve and defend our American Way of Life against those who seek to destroy it. Let us tell them at once that if they know of any other country where they will be better off than here, they are free to go there to live. But, if they do not know of a better place to live, then they must stop trying to import some other country's way of life and impose it on us.

Griff Jones
High School Principal

Directed by

GRIFF JONES

The Midcentury White House Conference on Children and Youth had for its theme the opportunity that each child should have for the development of a healthy personality.

It might be asked of each of you, "What are you doing to develop a healthy personality?" Your answer would involve the use of many institutions, not the least of which is the school.

The Hollidaysburg High School provides, in so far as it can, those experiences which tend to develop a socially competent citizen, a healthy personality. The opportunity to work somewhere near top mental and physical capacity is provided. A wide choice of courses and subjects are offered. Within the subject field each one is expected only to do that which he is capable of doing. Here, too, one is given the opportunity to meet with equity those that differ from himself —differ in race, religion, capacities, and interests.

The school affords the opportunity to learn to take the sour with the sweet. The student is encouraged to be courageous and to stand, regardless of odds, for what he believes is right. One is also encouraged to use fear as a danger sign rather than a lifelong nightmare.

In a variety of classroom and extra-curricular activities the boys and girls are provided the ways and means of opening their hearts and minds to all the experiences of human companionship. Here they experience the riches of friendship and the rewards of teamwork while at work and play.

The school stresses that each one must produce his own passport to success in living, that frustrations and disasters must be met without spiritual defeat.

Those of you who can attain the attributes named—ability to work at "top" capacity, meet with equity those that differ, take the sour with the sweet, experience the riches of friendship and rewards of teamwork, overcome frustrations and disasters without being defeated spiritually—will become socially competent citizens, healthy personalities.

Assistant Directors

Faculty Assists In Various Activities

A round of applause is due the faculty for their part in leading school affairs. Many teachers acted as club or class advisers. Faculty members also participated in noontime sports.

Social highlights were an outing at Highland Park, September 18, and a banquet in the spring.

Several changes occurred in the faculty. Mr. Vincent Turchetta, a graduate of Shippensburg State Teachers College, replaced Mr. John Erb, who was recalled to service in the United States Navy. Miss Dorothy McGregor, a graduate of Indiana State Teachers College, now teaches vocal music in Senior High and also supervises it at the other schools in the district. Mr. Robert Walker has replaced Mr. Norman Hoover in the agriculture department. Mr. Walker, a graduate of Pennsylvania State College, taught previously at Licking Creek Township School.

PATSY CRIST
Student Council President

Senior Class History

The theatrical performances of the class of 1951 included many thrilling and star events.

During their sophomore year, the main attraction was the St. Patrick's Day Party. The high school gym was gaily decorated with shamrocks, blarney stones and clay pipes; while green and white streamers added to the Irish spirit. As the feature production, several members of the class presented a play, "Mrs. O'Leary's Cow."

The highlight of the junior year was the Junior-Senior Prom held in the gym May 26, 1950. Amid the atmosphere of a Southern Garden, the prom was a smashing success. The Dreamtime Serenaders provided the music from a pillared veranda. At one end of the garden was a wishing well; along the walks were fresh and potted flowers. A white picket fence separated the dancing area from the tables. The fence and arches were decorated with ivy and flowers.

As juniors they celebrated with a Christmas Party. The gym was decorated with the appropriate yuletide hangings of trailing pines, hemlock and rhododendron. A huge Christmas tree trimmed with lights and candy canes was the center of attraction. Mr. and Mrs. Santa Claus presented gifts to some faculty members and students. Another feature of the program was the musical selection by a double octet composed of juniors.

"You Can't Take It With You," a three-act comedy, was presented March 30 and 31. The cast and everyone else involved worked hard to make their first dramatic attempt a hit.

Their senior class play, "Our Hearts Were Young and Gay," starred Cornelia Otis Skinner and Emily Kimbrough, who were quite unpredictable and kept the audience in an uproar from beginning to end.

The graduating class of 1951 was directed by Miss Kathleen Hess, adviser. Philip Kleinschmidt was president; Ruth Zeek, vice-president; Barbara Smith, secretary; and Beverly Campbell, treasurer.

Seniors Participate In Many Activities

During the past three years the class of 1951 has been "performing" at Hollidaysburg Senior High School. The year of their debut they functioned under Ruth Zeek, president; Jim Hutchison, vice - president; Nancy Mitchell, secretary; and Patty Robeson, treasurer. Bill Kerns was cast in the role of president the following year, assisted by Ruth Zeek, vice-president; Joanne Heininger, secretary; and Beverly Campbell, treasurer.

Both boys and girls were active in intramural sports. A large number of the boys participated in varsity football, basketball, wrestling, track, and baseball. Letters and numerals were awarded to those meeting requirements; for the first time in the history of the school, athletic sweaters were issued to deserving varsity players.

In their junior and senior years the members of the class sold Christmas cards to provide money to meet their various expenses. The production of a class play in their junior year, as well as their senior year, also helped to furnish the necessary funds for the class activities.

Those seniors who were elected to lead clubs and publications of the school were as follows: Student Council—president, Patsy Crist; secretary, Ann Thompson; treasurer, Jacqueline Lingenfelter; Tri-Hi-Y Club—president, Mary Lou Moore; vice-president, Barbara Smith; secretary, Jane Robeson; treasurer, Marilyn Frederick; chaplain, Nancy Naus; Chimrock-editor, Ruth Zeek; F.F.A. president, Don Glass; vice-president, Luther Crissman; reporter, Mark Diehl; sentinal, Bob Bennett; Projection Club—president, Barbara Drass; secretary-treasurer, Philip Kleinschmidt; H-Burger—editor, Barbara Smith; assistant editor, Barbara Drass; Varsity Club—president, Lester Weise; secretary, Philip Kleinschmidt; treasurer, Joe King; sergeant-at-arms, John Closson.

OFFICERS

President . . . . . Kleinschmidt
Vice-President . . . . . Zeek
Secretary . . . . . Smith
Treasurer . . . . . Campbell

Awards were presented to several of the seniors. Joan Hunter received the American Legion Essay Award; Luther Crissman and Mark Diehl, the Keystone Farmer Degree Awards. Bernard Monahan received the highest grade in the Pennsylvania Week Test, which gave him a chance to compete for state-wide honors. Bill Kerns represented Hollidaysburg High School at State Chorus and Don Glass was selected to take part in the State F.F.A. Band at Harrisburg.

Sixteen seniors presented the senior class play, their last chance to show their dramatic ability; twenty-six played in the high school band; four served as majorettes and one as cheerleader. Two members of the newly-organized Woodwind Sextet were seniors and three senior girls made up the Girls Vocal Trio.

Criste serves refreshments to fellow officers

President.....Criste
Vice-President....Hitchings
Secretary.....Harpster
Treasurer.....Showalter

To be or not to be - Seniors

The Junior officers for the 1950-1951 term were: president, Bert Criste; vice-president, Joseph Hitchings; secretary, Mary Alice Harpster; and treasurer, Gene Showalter. The officers, the members of the junior class, and their adviser, Mrs. Edythe Hammer, put forth every effort to present a successful prom in honor of the senior class.

The Junior Class Party was postponed from Christmas to Easter, and so the Easter Bunny did a quick substitute for Santa Claus. The theme was Easter and Spring. Pastel colors set the stage for a huge Easter basket. Delicious refreshments, an amusing program, and delightful dance music helped to make the party a success. Kenneth Lantz served as Master of Ceremonies. Two original, humorous skits written by Kenneth Lantz and Duane Clemens were presented. The double octet accompanied by Miss Dorothy McGregor, sang "Here Comes Peter Cottontail," "April Showers," and "The Easter Parade." There was a special number by Dolores and Peggy Carnill. Miss Miriam Dickey led the group singing.

The class play, "Green Stockings," a comedy in three acts, was presented March 29 and 30. The plot of the play demonstrates the old country custom requiring an elder sister to wear green stockings at the wedding of her younger sister, if that younger sister has captured a husband first. Celia Faraday has already worn the hated stockings twice, and to avoid wearing them again, she invents a fiance of her own, named Colonel John Smith. Then to keep the family from asking too many questions, she published his death notice in the paper eight months after announcing her engagement. What she does not know, however, is that a man bearing the same name and description actually does exist, and when he reads his own death notice which Celia submitted to the "Times," he does some investigating of his own.

Colonel Smith arrives at the Faraday home under an assumed name, thus creating more complications. But all ends well.

The members of the cast included: Colonel Smith, Paul Thompson; William Faraday, Thomas Harper; Admiral Grice, John Bice; Robert Tarver, Kenneth Lantz; James Raleigh, Ronald Simmers; Henry Steele, Dan O'Shell; Martin, John Hess; Celia Faraday, Marian Dwyer; Evelyn Trenchard, Shirley Helsel; Madge Rockingham, Arden Little; Phyllis Faraday, Jeannine Evans; and Mrs. Chisholm Faraday, Rita Jo Griffith.

Emerald Isle Sets Stage for Party

President.....Gearhart
Vice-President.....Soyster
Secretary.....Fox
Treasurer.....Hammaker

If you had walked into the Hollidaysburg High School Gymnasium on the night of March 9, 1951, you would have thought you were in Old Erin.

The first thing you caught sight of was the Emerald Isle in miniature. The rest of the gym was decorated in the Irish colors, green and white.

The class party was under the direction of the following chairmen: Entertainment, Max Gearhart; Program, Gretta Magill; Decoration, Lloyd Harris; Refreshment, Margie Fleck; and Cleanup, Jack Ashman.

Entertainment was provided in the form of an original Irish skit written by Stephanie Treese who was also a member of the cast. Other actors were Wayne Ulsh, Max Gearhart, Jim Hartman, and Bill Harshbarger. A reading was given by Connie Calvin; Jim Bennett, accompanied by Margie Fleck, played two Irish songs on the spoons; Joan Ellenberger tap danced; the Double Octet sang several numbers; Jack Seely and Jack Ashman sang *Peg O'My Heart*; a piano solo was given by Mary Brumbaugh; and a band consisting of fourteen sophomore band members played *Mac Namara's Band* directed by Jack Ashman.

The active sophomores participated in athletics, clubs, and other activities. They were under the supervision of Miss Janet Garling and Mr. Howard Smith, class advisers. The sophomore class officers were Max Gearhart, president; Edward Soyster, vice-president; Joe Hammaker, secretary; and Bruce Fox, treasurer.

First row, *left to right*: Beard, Greenleaf, Burk, Moyer, Riley, Snowberger, Neely, Hinkle, Tompkins, Young.
Second row: Sweeney, Kensinger, Edmundson, Treese, Fagan, Stombaugh, Lee, Harlin, Morris.

Tigers Have Stellar Season

Under the mentoring of Coach Mike Durbin, the 1950 football squad produced an excellent season—7 wins—2 defeats—1 tie. Assistant Coach Robert Dively and faculty manager John Erb helped provide this stellar season. Mr. Erb was replaced by Glenn Smock, when the former was called into the Navy.

In the season's lidlifter, the Durbinmen wasted no time in routing their Saxton opponents 33-0. Striking early for a touchdown on Rodriguez's dash of twenty yards, the Tigers from there on in could not be stopped. Climaxing a drive on seventy-one yards, Mock plunged over for his first of two touchdowns from the six-yard stripe, with Les "The Toe" Weise converting. Hutchison passed to Kleinschmidt and Rodriguez carried the ball to the five; Mock added his second T.D. with Weise again converting. In the third quarter, Kleinschmidt tallied from the three. Lutes scored the final six-pointer when he intercepted a Saxton lateral and raced fifty-one yards for the paydirt.

The second grid tilt saw the Golden Tigers triumph 20-0 over Westmont, avenging the previous season's defeat. Rodriguez scored the initial touchdown on a five-yard run with Weise adding the extra point. Mock tallied the second T.D. from the one with Weise again converting. The final score was made by Kleinschmidt when he pilfered a Westmont pass and whizzed sixty-five yards for the six-pointer.

Hollidaysburg made it three straight when they over-whelmed State College 41-6. Stom, playing a stellar game, tackled a State College halfback in the end zone, giving the Tigers a safety. Mock smashed over from the three, and a little later King scored his third T.D. and Rodriguez raced for the final score, with Weise booting both extra points.

An excellent pass defense and sensational punt return by Joe King for eighty yards, was just enough for the Golden Tigers to win their fourth straight game (7-0) over Philipsburg.

The Durbinmen racked up their fifth win when they downed Ebensburg 20-6. Grabbing a fumble on the forty-yard line, Lutes went all the way for the score with Weise converting. Hutchison's passes to King and Trueblood were good for both remaining scores, with Weise converting once.

The Hollidaysburg gridders trounced Altoona Catholic 40-0, thus another victory was added. Mock scored his first of three touchdowns on a two-yard smash with Weise adding the extra point. Mock again tallied from the two with Weise converting. Then Rodriguez broke loose for fifty-four yards and another T.D. King passed to Lutes who in turn lateralled to Criste who went seven yards for another six-pointer. Kleinschmidt tallied the final score from the two with Hartman kicking the extra point.

The Golden Tigers outlasted Cresson for their seventh straight win, 18-13. Coming from behind, Trexler picked up a blocked kick and raced twenty-two yards for the score. Criste added another T.D. and Hutchison passed to King for thirty-three yards and the final score of the game. Bernie Mock, the Tigers' fullback, was injured early in the game.

The Durbinmen suffered their first setback of the season when Huntingdon edged them 7-6. Outplaying their opponents throughout the game, the Tigers led in statistics but not in points. Hollidaysburg scored first when Hutchison, behind good blocking and with some excellent running, hit paydirt after an eighty-yard jaunt. Trailing in the last frame, the Tigers drove to the three-yard line but were stopped.

In the long anticipated scrap with Bellwood, the Tigers were dumped for the second straight time, 24-0. The strong Blue Devils completely outplayed the smaller Durbinmen. The 'Burg eleven could not get rolling because of "fumble-itis" and poor team co-ordination.

In the Tyrone scrap the Tigers fought to a 6-6 deadlock. The game saw the return of Mock, the Tigers' much-needed fullback, to the lineup, though he saw limited action. The Burg's fumbles gave Tyrone a 6-0 edge, but it did not take long before Hollidaysburg tied the game up when Criste blocked a punt and recovered the pigskin on the Tyrone one-yard line. Mock then smashed over for the score. The Durbinmen drove deep into enemy territory several times but could not push over a tally. This wrapped up the season for the Golden Tigers who provided many thrills on the local gridiron.

J. V. Football

Little Tigers Have Second Undefeated Season

The Junior Varsity football squad under its new coach, Howard Smith, remained undefeated for the second straight year. They compiled a record of six wins and no defeats and now have a victory streak of eleven straight.

The little Tigers opened their season with a 12-0 win over Bellwood. Playing on a wet and muddy field, the J.V.'s drew blood first when Nash skirted the end and scored from five yards out. From then on the J.V.'s were never headed. The game was put on ice when Nash, passing from his own thirty-five yard line, hit Soyster, who traveled the remaining distance for the final touchdown.

Having to come from behind, the little Tigers downed Huntingdon 19-7. Nash scored the first Hollidaysburg T.D. when he raced thirty-two yards for the six-pointer. Still trailing in the final period, the Tigers hit paydirt twice to wrap up the game. King plunged over from the four with McGinnis rushing the extra point, and McGinnis later scored on a two-yard plunge.

Altoona Catholic was the Junior Varsity's next victim. The score was 40-6. The little Tigers offense could not be stopped. Fox led the scoring parade with three touchdowns, while Nash, King, and McGinnis each had one. McGinnis and Feathers rushed two extra points.

The Junior Varsity continued their victory streak by walloping the Tyrone J.V.'s 33-6. Paced by Fox, the little Tigers easily routed their opponents. Fox scored three touchdowns, passed for one, and passed for three extra points. McGinnis hit paydirt once and Soyster snagged one T.D. pass and two aerials for extra points. Rutherford grabbed a pass for an extra point.

On a rainsoaked field, the Junior Varsity nosed out their Ebensburg opponents 6-0. The lone tally came in the second quarter when Nash pulled in a twenty-yard pass from Fox and dashed the remaining distance. Excellent defense and line play enabled the little Tigers to snare the fifth straight win.

In the finale the Smithmen crushed the Bedford squad 26-0. Being held to a six point lead at the half, the Tigers ran wild in the final half, scoring three touchdowns. The Fox to Soyster combination worked for two tallies and two extra points; one in the first half and one in the second half. Nash flipped a pass to Fox for another score, while McGinnis plunged for the final touchdown. This brought down the curtain on another successful Junior Varsity season.

Cagers Compete in Playoffs

The 1951 basketball team under Coach Harden's direction wound up a fairly successful season; thirteen wins; eight defeats. The Golden Tigers participated, this year, in their first Mountain League playoff game within the last twenty years.

Hollidaysburg won their first game of the season by defeating Bellefonte. The Tigers opened up and won by a 44-32 score. The Burg went on to win their next two encounters by outscrapping Roaring Spring (35-28) and by sweeping their seasonal series with Bellefonte.

The team then dropped three games in a row; first to Altoona Catholic by a score of 52-36; second, a heart-breaker to Bellwood (33-30) and third, an avenging loss to Roaring Spring.

The Tigers next marked up wins over Philipsburg and Mount Union but dropped (69-41) to highly-rated Lewistown. The team rallied to wallop Huntingdon (60-32). Tyrone came from behind and defeated Hollidaysburg (48-45). The Burgers had previously nosed out Bedford (38-36).

Bellwood felt the bite of the Tigers as the team avenged an earlier loss to the Blue Devils. In return games with Philipsburg and Mount Union, the Tigers added two more games to their win column. The team reached its peak by upsetting a once-beaten Lewistown 52-44. This victory set a wonderful stage for the Valentine Ball at which Joe King achieved additional honors, being crowned "King of the Ball."

Altoona Catholic swept their series from Hollidaysburg by defeating the Tigers, 45-24. Hollidaysburg got back on the winning trail with wins over Huntingdon and Bedford before finishing their regular season by losing to Tyrone for the second time in the term.

Hollidaysburg competed for the second cycle championship of the Mountain League. Lewistown came through the last quarter to win, 63-46.

The Jay - Vees

First row, *left to right:* Griffith, O'Brien, Fox, Bennett, Nash, Hartman. Second row: Culp, Reed, Seeley, Saksa, Snyder. Third row: Manager McConnell, Coach Smock, Varsity Coach Harden, Manager Kabella. King and Soyster were missing from photo.

Little Tigers Have Seventeen Consecutive Wins

The record of nineteen wins and one loss compiled by the Junior Varsity this season is the best record a basketball team has produced in the school's history. The jayvees established another record by winning more consecutive games (17) than any previous Tiger team. The success of the team must be credited to the fine coaching of Mr. Glenn Smock and the cooperation and spirit of the players.

The Little Tigers started their string of victories at Bellefonte's expense: 48-27. The jayvees downed Roaring Spring and Bellefonte, the latter for the second time. They continued by defeating Altoona Catholic, Bellwood, and Roaring Spring, in that order.

Hollidaysburg Jr's. won the first cycle of the Mountain League with wins over Philipsburg, Mount Union, Lewistown, and a close 31-30 victory over Huntingdon. They added further to their glory by defeating Bedford and Tyrone.

In return games, Bellwood, Philipsburg, Mount Union, Lewistown, and Altoona Catholic, all tasted defeat at the hands of the Tigers. Then the string was broken as the team suffered a 40-30 setback at Huntingdon. The Junior Varsity finished their season in a blaze of glory with wins over Bedford and Tyrone.

Wrestling

The Hollidaysburg wrestling squad reaped the harvest of two years of strenuous practice and vigorous training. They sought their old opponents with renewed vigor this year to make their record 7-2. Under their new mentor, Coach Charles Gearhart, they gave wrestling its best season thus far at Hollidaysburg High.

The season got under way at Philipsburg, where the Tigers bowed to a mighty aggregation and brought home a 31-10 score. A pin by McMaster, a decision by Don Jackson, and a tie by Campbell tallied the 'Burg's only points.

The tigers avenged Tyrone by reversing last year's score of 21-20. They stood up under pressure when both Platon and Weise, in the 165 and 185 lb. classes, won to bring the 'Burg from behind.

They went above the 500 mark when they beat Blairsville 31-14. The lightweights went glory-mad as the first four, C. Jackson, McMaster, Don Jackson, and Hammaker pinned their men in succession.

The Tigers mauled Indiana to the tune of 38-6. Pins were by McMaster, Campbell, Weise, and Platon.

Hollidaysburg suffered their second defeat of the season at the hands of Clearfield who overwhelmed them by taking all matches but three. Final score: 32-10.

The determined 'Burg team rebounded the following week by trimming Bedford 31-9 for their fourth win in six attempts.

After Bedford the team traveled to Lock Haven where they added another victory to the list. It was a real thriller ending up 23-17, H-Burg on top.

The 'Burg matmen went into action against State College on the home mats. Top honors went to McMaster and Weise for pins; other winners were D. Jackson, Hammaker, Campbell, Ratchford, and Platon.

To close the 1950-51 season the H-Burg grapplers went to Lewistown and collected their seventh win in a hot battle that ended up 20-18.

Hollidaysburg completed its successful season at the 6-9 district's which were held at Lock Haven.

Don Jackson set a record by wrestling all and losing none. Those letter-men with .500 or over in the 1950-51 mat drama were McMaster, Hammaker, D. Jackson, Weise, and Campbell.

Diamondmen Win Third Straight Pennant

The 1950 edition of the Hollidaysburg Tigers under the direction of Coach Ralph Harden won the Blair County Baseball Championship for the third straight year and was the first undefeated team in recent years.

The first game of the season saw a green 'Burg team beat Roaring Spring 9 to 3 behind Gil Cole's two-hit pitching. Jim Brubaker led the hitters. The team s second victory over Roaring Spring was a hitter's battle as the Tigers barely won 12 to 11. Ron Harris won the game in relief.

The 'Burg defeated Morrison Cove in a hitter's battle 11 to 10. Fred Fornwalt clinched the game in relief. Another victory came at the expense of Williamsburg as Ron Harris won his first game of the season 3 to 2. Jim Brubaker led the hitters. The team's 6 to 1 victory over Williamsburg produced a fielding oddity, a triple play; Fred Fornwalt won the game with a three-hitter.

Ron Harris pitched a four-hitter against Martinsburg. Jim Brubaker led the hitters with four hits including a triple as the Burg won 8 to 1. The team took the championship with a 3 to 1 victory over Martinsburg (second performance). Ron Harris pitched a five-hitter and also drove in the winning run with a perfect bunt.

Claysburg also was a Tiger victim: 1 to 0, as Fred Fornwalt and the loser's Bob Gordon locked in a pitching duel. Bill Watson, drove in the winning run with the 'Burg's only hit.

A 6 to 3 extra inning victory over Claysburg finished out the team's undefeated season. Ron Harris was the winning pitcher in a relief role and Homer Hartman led the hitters.

Ron Harris was the team's leading pitcher with a 5-0 record and Captain Jim Brubaker led the hitters with a .395 average.

The Highlights of Track

Murray and Young Go To State Meet

The 1950 Hollidaysburg Track squad under Coach Dively performed well: two wins, one, loss, and one tie.

The first meet, with Lewistown, found the Tigers losing, 55-52. The 'Burg, however captured 7 of 12 first places. Murray won the 100 and 220 dashes and Garland captured the 880 and mile. The mile relay team composed of Thompson, Garnett, Hazenstab and Criswell won their specialty and Rodriguez took the javelin and discus.

In a triangular meet, with Bellwood and Huntingdon, the 'Burg won by taking 38 points and 7 of 12 first places. Murray took first in the 100 and 220; Garland, the 880 and mile. The relay milers captured their event: Young, the pole vault; Rodriguez, the discus and javelin.

The meet with State College found the Tigers taking 8 of 12 first places although the lack of second and third places forced the 'Burg to face a 41-41 tie. Murray and Garland took first in their events. The mile relay team won their third meet. Young took the pole vault. Rodriguez again gave a successful performance in his role in the field events.

The second meeting with Huntingdon resulted in a 48-41 win for the Golden Tigers. Murray won the 100 and 220; Garland took the 880 and mile; Thompson and Criswell dominated the 440 as they did throughout the season. The mile relay team, Young, and Rodriguez also played well their parts as the 'Burg captured 8 of 12 places.

Hollidaysburg competed with other schools of the district at the District 6 meet in Altoona and ended in third place next to Altoona and Johnstown. The Tigers took 11 medals with Murray rating second place in both the 100 and 220 dashes; Magill, in the high jump; Young in the pole vault; Thompson in the 440 also placed high.

Murray and Young were selected to go to the state meet at State College on the basis of their district performance. Murray placed fifth in the 220 against the best runners in the state.

First row, *left to right:* Hazenstab, Criswell, Young, Lutes, Murray, Hess, Jim Garland.
Second row: Coach Dively, Jack Garland, Thompson, Magill, Ferry, Weise, Rodriguez, Garnett, Faculty Manager Erb.

The G. A. A.

Members Participate in Noontime Activities

The 1950 - 51 term was quite active for members of the G. A. A. This club, under the supervision of Miss Janet Garling, girls' physical education instructor, concentrated on promoting good sportsmanship and participation in sports and providing opportunities for leadership and worthy use of leisure time.

Regular meetings were held twice a month and special meetings were called when necessary. Each month the club participated in a different activity. These activities included swimming, bowling, skating and gym night, when members engaged in basketball, tumbling, and volleyball in the high school gym

In November the club held a bake sale to raise money for its own use. A roller-skating party was held in January. G. A. A. members took part in the annual Physical Education Exhibition held in May. During football and basketball seasons, members played volleyball and basketball at noontime in the gym.

For each major sport participated in and each hour of activity outside of school, a girl earned two points. For engaging in a minor sport (dancing, ping pong, hiking and tumbling) she earned one point. When a girl earned 50 points she automatically became a member of the club. Each time a member attended a meeting, she received one point; when she did not attend, she lost one point.

Officers of the club received extra points and members participating in noontime intramural sports received extra points. Those members who earned a total of 350 points received the number of their graduating year. For a total of 750 points a member received an "H".

Capable officers who led this organization were: president, Gloria Clemens; vice-president, Donna Roach; secretary-treasurer, Hazel Varner; and awards chairman, Margery Keller.

Varsity Club

The Varsity Club, which is an organization composed of the school's athletes who have lettered in any sport, was counseled by Messrs. Durbin and Harden. In this, the second year of the organization, the group of experienced players really began to function.

Early in the year the Club started a new project; the presentation of award sweaters to every senior athlete who letters in one of the following ways:

(1) two years in a major sport (football and basketball);
(2) three years in a minor sport (baseball, wrestling, and track);
(3) one season in a major sport and one in a minor during the same school term.

In order to pay for the sweaters, the Club sold foam-rubber cushions at the football games. They purchased a popcorn machine which enabled them to sell popcorn at football and basketball games.

Kerns Attends State Chorus

The Hollidaysburg Senior High School Band, under the direction of Mr. Elliott Treese, was in the spotlight from Act I (football season) through the finale (commencement).

Rain or shine the band was present at football games, both at home and away, to inspire the athletes on to victory and to lead the fans in many football medleys. With high-stepping majorettes, under the accurate timing of Connie Calvin, drum majorette, the band did many colorful formations before the games and at the half. After much practice the band displayed many intricate formations.

In "The Three Bears" scene Goldilocks was sought by the three bears; Mary Ellen Waite read the dialogue. In "A Ball Diamond" the majorettes became the ball "players." The Band became a heart in "Heartaches."

Other events in which the band participated were the Farm Show, Mummer's Parades in Hollidaysburg, Williamsburg, and Altoona, the Pet Parade, and the Firemen's Convention Parades in Roaring Spring and Claysburg.

Glass, Dodson, Lynn, D. Stone, N. Hammaker, Lindsey, Claycomb, Jones, N. Reid. Sixth row: Rush, Shaffer, McClellan, Lotz, Salyards, Berkheimer, Martin, Blazer, Rice. Seventh row: Bender, Walters, Shingler, Westover, D. Glass.

Host To County Band Festival

The annual band concert was held March 15. Light symphonies, novelties, overtures, and march selections were featured. The student directors were Dave Buterbaugh, Bill Kerns, Cecil Trueblood, and Bob Bender.

A number of band members were chosen to participate in bands composed of outstanding musicians in the area schools. District Band, held at Bellefonte, was represented by sixteen members from our school.

April 6 and 7 marked the date for the Blair County Band Festvial held at the Hollidaysburg Senior High School. A large number of local musicians participated in this yearly event.

The main social activity of the band was the picnic at Greenwood Furnace during the summer. A roller-skating party was held at Lakemont in January; the annual banquet in May.

The band made its final appearance for the 1950-51 term when it presented music for commencement exercises held on the high school athletic field.

Senior Class Play

"Our Hearts Were Young and Gay"

Entire Production Staff

The senior class play, "Our Hearts Were Young and Gay," was presented at the Junior High School Auditorium December 14th and 15th after an ice storm caused a delay of two weeks. This three-act comedy by Cornelia Otis Skinner and Emily Kimbrough was directed by Miss Miriam Dickey.

Cornelia Skinner (Joan Hunter) and Emily Kimbrough (Barbara Drass) have saved their money to go to Paris. Cornelia's father (Richard Butler) and mother (Jo Ellen DeShong) are sailing to France on another ship. Mrs. Skinner gives the girls, as a going-away present, safety pockets.

In the excitement of a hunt for a stowaway, Emily throws her safety pocket overboard. Cornelia, in her cabin with Harriet St. John (Patsy Crist) and Winifred Blaugh (Ruth Zeek), two English girls, hears the cry "Man Overboard!" Cornelia thinks it is Emily. Seeing the man overboard, Emily throws a deck chair which hits him on the head. She thinks she has killed him and decides to confess. Emily sends Cornelia for the Captain. The stewart (Karl Moses) brings in the last of Emily's trunks only to be told she will not need them now. Cornelia brings the stewardess (Carol Conroy) and the purser (Paul Watters) who praises Emily for her help in capturing the stowaway. The deck chair had knocked him out and made possible his capture. The purser returns Emily's safety pocket.

The Admiral (William Kerns) awards Cornelia a loving cup for her performance as part of the entertainment aboard ship. The last morning on shipboard, Cornelia finds she has the measles. Emily and two medical students, Dick Winters (Philip Kleinschmidt) and Leo McEvoy (David Buterbaugh) try to hide Cornelia's illness. She succeeds in passing the examination by the health inspector (Virginia O'Brien).

In Paris, Cornelia and Emily stay at a small hotel run by Madame Elise (Shirley Eboch). They give their safety pockets to the maid, Therese (Mary Lou Moore).

A French actor, Monsieur de la Croix (Philip Park) agrees to give Cornelia acting lessons, hoping that her father might arrange an American tour for him.

The girls are awakened the next morning by the window cleaner (Karl Moses). Cornelia finds her face bitten by bedbugs. Lunching with Leo and Dick, she hides her face behind a fan.

Mrs. Skinner, visiting the girls, finds Therese wearing the safety pockets. She buys others to replace them. In a last attempt to dispose of the safety pockets, Emily hides them as she leaves. Therese finds them and runs after the girls to return them.

Considering Cornelia's "hammy" acting, Emily's "confession" to murder, the safety pocket encounters, measles and bedbugs, the audience had ample proof that this comedy was appropriately named.

Chimrock Staff Goes Stage - Struck!

As in bye-gone years this Chimrock staff also had many problems facing them in choosing and preparing a theme for the book. The staff finally came to an agreement on a general theatrical theme, but what definite word theme would be used was not decided until the middle of the year.

Once the theme was chosen, work began in earnest. Senior pictures were taken before Christmas, and shortly after, the advertising staff began soliciting for ads. While informal snapshots of faculty activities, sports, and students were being taken, the associate editors began writing the articles. Soon the book began to take shape. But there were more difficulties for the staff when it came time to decide on what headlines and picture captions to use. The business managers were kept busy collecting money for subscriptions; the art editors, on drawings to be used in the artwork sections.

Finally, with a few minor mishaps ironed out, the book was ready to go to press, much to the relief of the entire staff personnel.

Thanks to the untiring efforts of the adviser, Miss Smith; Miss Berkey, for her assistance in the writing and proofreading of articles; editor, Ruth Zeek; and the various members of the Chimrock staff—the book was made a reality.

We sincerely hope that you will find as much enjoyment leafing through the pages of your "Theater of Stars" as we did in editing these memories of our school life.

The H-Burger

Miss Silknetter and Editor Smith check the files

Members Attend Various Press Conferences During Year

The who, what, where, when, and why of the Hollidaysburg High School could be found in the H-Burger, the monthly school publication. The paper not only supplied the news of the school, but also furnished an opportunity for approximately forty budding journalists to demonstrate their writing ability.

In each of the issues one could find an account of the varied activities of the school. The Christmas issue, printed in red and green, provided a unique variation. Individual sport events and also season records were given prominence in all issues. Many interesting special features appeared throughout the year. Editorially the paper praised the school's strong points and exhorted the student body to overcome its weaknesses. Social functions were not neglected. The paper carried full accounts of all parties, dances, assemblies, noon-time activities, and the various school club programs. This year there were two new additions to the paper because more money was available. Feature headlines and engravings were added.

The sources of finance for the H-Burger staff were the selling of subscriptions to the paper, receiving a portion of money from the sale of activity books, and the selling of programs at the football games.

Approximately twenty members of the staff attended the Press Conference, which was held at Cove High in Martinsburg, October 26, 1950. Patty Robeson and Barbara Drass, associate editors of the H-Burger, were speakers at the conference. They spoke on "The Features in School Newspapers." Barbara Smith, editor-in-chief of the paper, was elected secretary-treasurer of the Blair County Scholastic Press Association for the 1950-1951 term. Thursday, April 12, 1951, at 3:30 in the State College High School, State College, a second press conference was held. Many of our news writers represented Hollidaysburg High School at this spring conference.

Under the supervision of Miss Bonalyn Silknetter, adviser of the H-Burger staff, the Valentine Ball was held in the gym on February 9, 1951, after the Lewistown basketball game. The highlight of the ball was the crowning of the king, Joe King, and the queen, Barbara Drass. The senior attendants were Phil Kleinschmidt and Donna Lindsey; junior attendants, Bert Criste and Mary Ellen Waite; sophomore attendants, Bruce Fox and Connie Calvin. Jim Bennett played the spoons; Dolores Carnill sang a solo; Joanne Ellenberger tap-danced. Bruce Bowser and his orchestra provided the music for dancing.

First row, *left to right:* J. Robeson, Zimmerman, Donovan, DeShong, Drass, Smith, P. Robeson, Miss Silknetter, Heller, Evans. Student Council

Promotes Sportsmanship Throughout School

Student Council Officers
plan the Easter Hop

The Student Council completed its second successful year since its re-organization. It promoted the spirit of cooperation in all organized functions of the school and carried out a number of worthwhile projects.

One of these projects was the display and practice of good sportsmanship not only in the field of athletics, but in all phases of school life. Posters on sportsmanship were prominently displayed throughout the school building, reminding the student body to follow the code of good conduct and sportsmanship.

The Student Council was responsible for placing the traditional Christmas tree in the main hall of the school. Christmas carols were sung around the tree preceding the annual Christmas vacation. The Council also sponsored the sale of plastic bookcovers with the school emblem and name on them. The social highlight of the year for the Student Council was the "Easter Hop" held March 26.

The officers of the organization were: president, Patsy Crist; vice-president, Bob O'Brien; secretary, Ann Thompson; recording secretary, Dona Long; treasurer, Jackie Lingenfelter. The Student Council was under the direction of Mr. Jones.

Tri - Hi - Y

German Girls Guests of Club

The purpose of the Tri-Hi-Y Club for 1950-51 was to "Create, Maintain, and Extend Throughout the School and Community High Standards of Christian Character."

The club operated under the leadership of president Mary Lou Moore, vice-president Barbara Smith, secretary Jane Robeson, treasurer Marilyn Fredrick, and chaplain Nancy Naus. Miss Betty Kiracofe was the director.

Held on alternate Tuesday evenings at seven-thirty in the YM-YWCA, meetings began with devotions. The business session followed.

Highlight of the year was the Sadie Hawkins Hoe Down in the high school gymnasium, November 11. Couples dressed in costumes resembling Daisy Mae and Lil' Abner. Donald Campbell and Dorothy McNally were chosen as the two looking most like the comic strip characters.

At Christmas the club participated, along with other YM-YWCA organizations, in "The Hanging of the Greens." A tea was held after the program. Another Christmas activity was mailing candy bars overseas.

A donation to CARE and canvassing the town in the March of Dimes campaign were two ways in which the club helped others.

Several guest speakers addressed the girls in a series of "Teen Talks." Among them were Mr. Clarence Farley who spoke on Alcoholism during "Alcohol Education Week", and two German girls, students at Cove High, who compared life in Germany with life in the United States.

OFFICERS

President . . . . . Moore
Vice-President . . . . . Smith
Secretary . . . . . J. Robeson
Treasurer . . . . . Frederick
Chaplain . . . . . Naus

During the year, members served at many banquets and took charge of a special Tri-Hi-Y assembly at Senior High. A play entitled "How To Propose" was presented.

In March, the club members were guests at a Food Demonstration Party furnished by the Natural Gas Company in Altoona.

During April the club presented a YWCA skit on the purposes of the YWCA and a play on the United Nations.

Other activities for the year were a skating party, a Halloween Party, and a bake sale to earn money for Y-Teen song books.

As a farewell to senior members, a banquet was held at the close of the year at which time the officers for the coming year were installed.

Tri - Hi - Y Cadets

Cadets Present Two Plays

The Tri-Hi-Y Cadets had a very active and successful year during the 1950-51 term. They participated in many worth-while activities in trying to uphold the club's purpose: "To find and give the best." Their slogan is "To face life squarely."

The meetings of the Tri-Hi-Y Cadets were held every Tuesday evening at the YM-YWCA. The program committee planned all the programs for the meetings. The chairman of this committee was Alice Waite.

The club functioned under the leadership of the following officers: president, Gretta Magill; vice-president, Alice Waite; secretary, Nancy Hammaker; treasurer, Janet Price; chaplain, Janice McCall; their adviser was Mrs. Doris Nale.

Under the direction of the program chairman, members of the Cadets presented two plays, "No, Thank You" and "Family Portrait," for the entertainment of the Tri-Hi-Y and of various other clubs.

During October, the Cadets invited guests to a hayride, the climax of which was a weiner roast at Bennett's Farm. The outing was very successful and well-attended.

Christmas season was a very busy one for the Cadets. They participated in the traditional service known as the "Hanging of the Greens" at the "Y". Following the program the Cadets went carol singing and then to the home of their adviser, Mrs. Doris Nale, for a Christmas Party. The Cadets joined with several other clubs in the sending of candy bars overseas.

Several speakers spoke to the girls in the "Teen Talks." Among the speakers was Miss Miriam Dickey, director of plays at the Hollidaysburg Senior High School. She presented many interesting facts relating to the production of plays.

The week before Easter the Cadets participated in Holy Week services held each morning for fifteen minutes in the YM-YWCA.

The Tri-Hi-Y Cadets decorated and sold tickets for the dance sponsored by the Alpha Gradale Sorority at the "Y" on April Fool's eve.

During April and May the Cadets sold salt-water taffy for the purpose of earning money to send members of the club to the two-week summer conference at Bethany College in West Virginia.

Other activities of the year were; a bake sale, held March third; a roller-skating party; the learning of folk dances at regular meetings; and a swimming and slumber party combined.

As a final tribute to the Cadets a Mother and Daughter banquet was planned. The Cadets, after such a complete schedule, were ready to "try out" as full-pledged Tri-Hi-Y members.

First row: left to right: Waite, Calvin, Hayes, Magill, Snowberger, Truby, Sherwood, Shelley.
Second row: Shinafelt, Ellenberger, Smith, Strayer, McCall, Stiffler, Burke, Downing.
Third row: Bouslough, M. Drass, Hoenstine, Figart, Irons, Suter, Morgan, N. Beegle, J. Beegle.
Fourth row: Hamilton, Troxell, Kensinger, Price, E. Drass, Reid, Hammaker, Brumbaugh.

Projection Club

Club Records Many Programs

One of the most active clubs in the school, the Projection Club is constantly serving the school. Under the untiring supervision of Clarence W. Farley, its members have charge of audio-visual supplies and education. They operate sound equipment for athletic events, assemblies, social events, and band concerts. In 1950-51 they recorded the Christmas program, the band concert, and numerous assemblies, motion pictures were shown for banquets, clubs; education films for various classes.

Meetings were held the first Tuesday of each month. A business meeting preceded the instruction period. The club formulated a constitution this year and followed parliamentary procedure closely.

The new members of the Club were taught to operate the motion picture projector by either Mr. Farley or a licensed member of the Club. After the trainee had some practice, Mr. Farley would test him. When he passed, he would receive his operator's license. Then he would be qualified to show movies during his study periods. The members also learned the operation of the tape-recorder, the record-player, the slide-projector, the film-strip machine, and other equipment. In their spare time, club members were permitted to practice operating the different machines.

The Projection Club sponsored a dance after a football game in order to raise funds for new films and equipment. With a swelling treasury the club is now able to purchase films for educational purposes and newer and better equipment.

The "projectionists" held a party in the early part of May with all the members attending. It was very successful and enjoyable. In 1950-51 the club almost doubled its membership and has proved to be both entertaining and educational.

Officers for the year 1950-51 were as follows: president, Barbara Drass; vice-president, Nancy Heller; secretary-treasurer, Phil Kleinschmidt. The secretaries in charge of ordering and scheduling of films were Patsy Crist and Hazel Varner. William Gildea and Dale Loree assisted Mr. Farley in the repairing of equipment and films and operating the recorder and broadcasting system.

F. F. A.

Two Boys Chosen Keystone Farmers

The Future Farmers of America is a national organization of boys studying vocational agriculture. It was founded in November of 1928.

The local chapter of the Future Farmers of America participated in numerous activities throughout the year. Regular meetings were scheduled for the third Thursday of each month; and at least one meeting a month was called during school hours. Other activities were carried on in the area of Blair and the surrounding counties under the direction of Mr. G. L. Reisuer, area adviser to teachers of Vocational Agriculture, the teachers of agriculture, and the area officers of the F.F.A. These activities consisted of the area F.F.A. banquet, held at the Bedford Springs Hotel, the leadership training conference held at the Replogle High School in Bedford County, participation at the Bedford Fair, and the area project contest.

The group project in 1950-51 was the raising of broilers, a new type of hybrid chicken. This project was highly successful.

The F.F.A. played an important role in setting the stage for the annual farm show at Hollidaysburg. The boys exhibited some of their prize products grown in their supervised farm projects. Many ribbons were captured at this big event.

For the first time in the history of the school two of the boys were chosen Keystone Farmers for doing exceptionally good jobs in vocational agriculture. Mark Diehl and Luther Crissman received their Keystone Farmers degrees at the Pennsylvania State Farm Show held in Harrisburg in January. Forty-five of the boys attended the farm show and also exhibited many of their projects there.

The Parent-Son Banquet was held in the middle of March at the Hollidaysburg Y.M.-Y.W.C.A. the principal speaker was Mr. Samuel Horst, Director of Safety Education in the Pennsylvania Department of Agriculture.

The Leadership Training Conference consists of a short course in leadership. At this conference the parliamentary demonstrations are given by chapters competing with each other to win the honor of being able to represent the area at State College in June, during F.F.A. week. Another phase of their activities during the summer is the exhibit of their animals at the Bedford Fair.

The officers for the year were as follows: president, Donald Glass; vice-president, Luther Crissman; treasurer, Ronald Simmers; secretary, John Hess; sentinel, Robert Bennett. Mr. Robert Walker was the F.F.A. adviser.

French - Spanish Clubs

Newly Organized Clubs

Parlez-vous francais? cHabla Vd. español? If you do not understand these expressions, you are not eligible to join our casts.

Meeting on alternate Mondays after school, the French and Spanish Clubs had very similar activities. Among these activities were singing songs, writing letters, and playing games in the respective foreign language.

These clubs were both very small, because membership was limited to students of French and Spanish who wished to meet regularly for an hour every other Monday after school.

At Christmas time the clubs combined for a Christmas party. Highlight of the party was the blind-folding of guests attempting to break piñatas, according to the Spanish custom.

Jean McLanahan from the French Club and Shirley Helsel from the Spanish Club had parts in the Christmas program, representing girls from France and Mexico.

Even though these clubs are composed of first-year as well as second-year students, a definite attempt has been made to speak the language in club sessions.

Although there was a French Club last year, this year for the first time a Spanish Club was organized. Because these clubs are so new, composing a constitution was a vital part of the year's work. Business meetings were not conducted in the foreign language, but members who wished to make motions in their second language, were permitted to do so.

The vocabulary studied in class is different from the business terms used in a meeting of the club; therefore, members were not required to transact business in French or Spanish. Games developing the vocabulary for every day usuage were generally played: bingo (numbers and letters of alphabet), crossword puzzles and anagrams (words and verbs), and skits and dialogues (everyday expressions).

The members of the French Club became more enthusiastic when Mrs. Reiver, a French woman, began attending the club meetings. Her twelve-year old son and three-year old daughter also made more interesting the bi-weekly sessions.

Spanish Club celebrated Pan American Day in April with a special program emphasizing the importance of inter-American affairs.

International Relations

All The World's A Stage

The International Relations Club spent its third year participating in many interesting and worthwhile activities.

On October 26, in celebration of United Nations Week, the I.R.C. members presented an assembly program. Helen Harlin explained the purposes and activities of the club. The mixed chorus sang "One World." Cecil Trueblood, a member of the club, was soloist. A play entitled "Father Gets the Point" was presented by Dave Buterbaugh, Mary Ellen Waite, Jane Clarke, Dick Butler, and Ruth Zeek. A choral group composed of other members of the club recited the preamble to the United Nations Constitution.

Two members attended a United Nations seminar in New York. While there, they saw a U. N. session at Lake Success.

In November the club sponsored a CARE drive during which $94 was collected. The money was used to send Christmas boxes to families in several foreign countries. A clothing drive was held in the spring. The club also contributed to the UNESCO CARE Book Fund.

Several members attended a conference in Altoona. The guest speaker was Amaya Chakavardi from India, who spoke on "India's Role in World Affairs."

The club, together with the French and Spanish Clubs, sponsored a dance after a basketball game, January 26.

A party featuring an "art exhibit" substituted for a regular meeting of the club February 22.

In March, Mrs. Silovs, a displaced person from Latvia, spoke to the group describing conditions in Europe as she knew them. An interesting question period followed her address.

The advisers were Miss Ethel Berkey and Miss Helen Davis. Officers for the first semester included: president, Janet Garnett; vice president, Ken Lantz; corresponding secretary, Florence Gemmill; recording secretary, Mary Alice Harpster; treasurer, Beverly Lamberson. Officers for the second semester were: president, Mary Alice Harpster, vice president, Arden Little; recording secretary, Helen Wilker; corresponding secretary, Mary Ellen Waite; treasurer, Wayne Ulsh.

Acknowledgments

We, the Chimrock Staff of 1951, wish to express our gratitude to all those who have assisted in making our yearbook a success.

We shall never forget the tireless efforts of our adviser, Miss Darlene Smith, and are deeply grateful to her for such fine leadership.

The staff appreciates the work of our craftsmen; the Pontiac Engraving and Electrotype Company, the Gray Printing Company, Craftco, and Shaeffer Studio.

We extend our thanks to the underclassmen for their support in buying subscriptions.

The financial success of the yearbook was made possible through our advertisers. We recommend that you patronize those firms whose advertisements appear on the following pages.

. . . . *It Pays*

TO WORK AT MURPHY'S

My name is Betty and I have a story which I think will interest many of you. It's about *my* experience in the retailing field. Believe me, Variety Store business is fast-moving and interesting. Each counter is a store in itself.

Here at Murphy's one learns retailing from the bottom up! I started out as an extra salesgirl, working every day after school. When I was graduated, I was fortunate to be placed in charge of a counter. I never knew how really interesting this work could be . . . it's just like having a shop of my own.

I'm growing here, taking more responsibility as I go. There's still more room for advancement . . . I can work myself into a position of merchandise buyer, section supervisor or bookkeeper in the office. Soon I hope to be selected to train for the job of Personnel Directress in a large new Murphy Store.

All of us at Murphy's have an equal chance to better ourselves. From what I can see Murphy's is tops in training . . . and there isn't a store in town to beat Murphy's on Employee benefits!

If your're ambitious to make a "go" of retailing, join the "Gang" at Murphy's soon as you can.

Telephone HAymarket 1-1000

SINCE GUTENBERG

first began his experiments with movable types in the days of the Renaissance, Printing, "the mother of arts," has witnessed and recorded five centuries of history.

Today, instead of the hand illuminated book, printed for the privileged few, beautifully illustrated books are produced in mass to crowd the libraries of the world for whomsoever has the desire to absorb the knowledge and enjoyment they contain. Made possible only through the application of the developments of the industrial age to printing, the printer who aspires to have a part in the industry must keep step with the changes of method and machine.

This company is proud to announce the addition of a new Miehle No. 46 Press to its mechanical equipment—as fine a press as ever conceived in the minds of men or produced by the hands of artisans.
